**REPACK Elden Ring: Deluxe Edition SKiDROW CODEX [+ DLC]Serial Key  
Free [Mac/Win] [Latest]**

[Download Setup + Crack](#)

---

Explore the ancient lands of The Lands Between, where the human race is, and start a new life as an outcast, by starting on a Tarnished soul. Join with others and rise as an outcast, the Tarnished. Band together to climb the ranks and become a master swordsman, a priest, or a wizard, and unlock a variety of weapons and skills. - The Battles in the Lands Between You must challenge the 12 Elden Lords, who rule over the lands, to prove yourself and become their Champion in the Battle Stage. The promise of becoming an Elden Lord lies in the Region of Tarnished Souls where the Tarnished are born, and each journey has its own beginning point. The battles in the Wars Between are being displayed in the Battle Stage, and these give the Prestige for new objectives. Battle Stage All Elden Lords are gathered in the Battle Stage, to battle it out and finally determine a winner. The War System may be set in the Game Options screen. Choose from Sword, Shield, Gun, Rune, or Magic. Battle against other players to enhance your personal stats such as Blood, Muscle, and Skill. Give a boost to your stats to climb the rankings of your current Ranked Match. Battle between these with the Plus (+) and Minus (-) buttons. Rank Up your Stats by winning battles and don't fall behind! Region of Tarnished Souls Once you have completed your objective in the first zone of the Campaign, you will be guided to the Region of Tarnished Souls. In this region, the Tarnished, who are defined as human outcasts, are given a lifespan only to fight in the wars between. The Tarnished who have lived the entire duration of their lives will win fame. Campaign The goal in this game is to become a Tarnished before you become a Champion, and to climb the ranks in the Battles Between. The Action Stage is also included in this game, and you can unlock the War stage as well as the region of Tarnished Souls with the rank up system. As you progress in the game, you will be given quests, and each quest will give a rating of difficulty. Completing them will grant you experience points, which will allow you to level up and strengthen your rank. When you log in, a quest is displayed on the quest list
