In the middle of a civil war, the people of Lyceum desire a peace by alliance with the neighboring country of Rygram, but with the attacks of the monster tribe of the west dominating the kingdom, a coup d'etat occurs, bringing in the kingdom's former king who leads a military force in a battle for personal gain. At this time, a delegation from the neighboring kingdom, Falus, arrives at Lyceum with an honest desire for an alliance. However, in order to form an alliance, it is necessary to resolve problems between Lyceum and Falus. The king of Lyceum, Marshall Raphael, assembles the heads of the three major houses of the kingdom, in order to negotiate a peace. As the negotiations progress, a white phantasm, called the Tarnished, appears to Raphael, and tells him to name the head of the three houses as the Elden Lord. Who are the Elden Lords and why does the Tarnished appear to Raphael? The action of this game is all about finding the answers, so enjoy the new fantasy action RPG. © Seika Ltd. ©2015 ©SEIKA SOFTWARE, INC. It's kind of like a strategy game. You don't get it to play as a game, but more like a strategy game. Xdas 11/1/2018 12:03 PM I've been playing ELDEN RING for about 30 hours now. I've been having a lot of fun with this game so far. Honestly, I started playing this game with low expectations, but after I played it a bit, I found it to be extremely interesting. Xdas 11/1/2018 12:04 PM I have a bit of experience with League of Legends and I can really say that ELDEN RING isn't that bad at all. I've been having fun with this game so far. I'm not going to say that it's an epic game, but I wouldn't say it's bad either. chilly 11/3/2018 11:31 PM It's OK. I expected more.
